

MY DAY WITH BJÖRK

BY VINCENT KONRAD.

I want to cuddle Björk.

She will whisper to me...

She will wear a dress that is a hundred feet long

And goes everywhere!

It will be

and PURPLE

GOLD

and RED

and GREEN

I will wear a **big** hat.

When the day is over, we
go back to her lighthouse
in the forest.

There we drink warm honey out of silver mugs.
